Capabilities Statement

Commercial snow and ice management for South Jersey and eastern Pennsylvania

20	12	60–70	10+
plow trucks with spreaders	skid steers	laborers in the field each storm	years with our longest clients

COMPANY

GTS Solutions LLC, doing business as GTS Snow Solutions, plows, shovels and treats parking lots, drive lanes and walkways for property managers, associations and facility directors. One contract and one crew lead cover the whole property, lots and walkways alike.

SERVICES

- Plowing of parking lots, drive lanes, fire lanes, loading areas and dumpster pads
- Walkway, entrance, stoop, cluster mailbox and corral clearing by Snowrator and hand crew
- Lot salting by spreader truck; walkway ice melt after every plow and shovel service
- Ice treatment for freezing rain and refreeze
- Storm monitoring and mobilization at the contract trigger
- Snow stacking and relocation with loaders, on request

PROPERTIES SERVED

Condominium and HOA communities, apartment communities, schools and child care centers, churches, industrial parks, self-storage, retail, restaurants, offices and medical buildings.

SERVICE AREA

New Jersey: Camden, Gloucester and Burlington counties. Pennsylvania: Bucks, Montgomery, Delaware and Philadelphia counties.

EQUIPMENT

10	Ford F-250 class trucks, Western plows and spreaders
8	Ford F-350 to F-450 trucks, Western plows and spreaders
2	Ford F-550 or larger, Western plows and spreaders
4	Caterpillar skid steers with plows or push boxes
8	Kubota skid steers with plows or push boxes
10	Boss Snowrators, with and without brine tanks
200+	Snow shovels for hand crews

All equipment is GTS-owned and maintained, with spares held for breakdowns.

HOW WE BID

Every property is measured and walked before it is priced: parcel and paved-surface figures from public records, lots and walkways traced on current aerial imagery, then an on-site walkthrough with the owner to confirm the shaded site map. The same map goes to the crew lead with a written action plan.

CONTRACTS AND COMPLIANCE

- Per-storm pricing by snowfall depth, seasonal flat rate or multi-year terms
- Service triggers set to suit each property
- Bids on the association's own RFP form, every exhibit answered
- Certificate of insurance naming the association or manager
- References from multi-building communities available on request
